# TIARA ARLANDA

TIARA ARLANDA is the name of the new high quality wool carpet by TISCA TIARA.

The elegant surface texture of this cut & loop construction lends the carpet its distinct appearance. The accentuated loop pile creates a delicate multicolor sheen evoking the cool surface texture of silk fabrics. The tip-shear process allows for subtle tone-in-tone creations. A pleasant touch with a grainy feel is the result of a highly twisted 2-ply yarn. The hefty pile weight of 1150g/m<sup>2</sup> (46 oz/sq.yd) makes TIARA ARLANDA ideal not only for the residential area such as children's rooms but also for areas with higher demand such as hotel rooms.

The timeless texture-mix along with 12 fashionable colors will excite and inspire the interior decorator. The colors range from pure naturals to complementary jewel tones such as Bordeaux and Violet. The clever combination of yarn, texture, colors and shade effect guarantees a timeless beauty.

TIARA ARLANDA is the first choice for a demanding clientele looking for a heavy, luxurious carpet with character.
